Can't we get a SLO to tow this asap? Can you call someone?

Hi Don. Just an update. The van that I told you about before you left on vacation is still parked on Sepulveda Westway, behind the Superblock. It has many tickets on it already. Not sure why it hasn't been towed already! I have informed the LAPD, Parking Enforcement and Let Miki know as well. Sending pictures if it to you again. It is and eyesore at the very least. Steve
